Keystone is the largest food shelf provider in Ramsey County.

In 2021, Keystone **provided food support to over 39,000** individuals across Ramsey County

The number of seniors needing food support has increased during the pandemic - last year, **seniors made up 20%** of our food participants

Keystone **distributed over 2.28 million pounds** of food last year, which is the equivalent of about **180,000 bags of free groceries**

We created safe, flexible options for those who can't make it to our food shelves, including community **drive-through distributions and grocery delivery**

Keystone's food shelves have seen a huge increase in food insecurity over the last few months as **grocery costs continue to rise**
