

2017 SPONSORSHIP OPPORTUNITIES

VOLUNTEER RECOGNITION

Volunteers are critical to our mission and core to our service delivery. Sponsorship underwrites our annual event which recognizes the 2000+ volunteers who support Keystone programs.

KEYS TO SUCCESS GALA

Our annual fundraising event brings together new donors and long-time supporters for an evening that showcases the impact of our community-based programs and raises funds to further our mission.

YOUTH LEGO LEAGUE TEAM

The Lego League team is a unique component of our Community Kids program which allows groups of young people to practice imaginative thinking and teamwork by building Lego robotics and participating in statewide competitions.

SENIOR NEWSLETTER

Keystone offers comprehensive services designed to help older adults remain independent and active. This quarterly newsletter keeps thousands of seniors informed about Keystone's senior programs.

FREE FARMERS MARKETS

Helping individuals and families access healthy food is a key component of our basic needs program. Our free farmers markets are one way we are expanding access to healthy food for low-income neighbors in need.

COMMUNITY EVENTS

Throughout the year, Keystone offers educational programs and special events that bring people together and strengthen our community. Events like the Spaghetti Dinner connect and unite neighbors.

Invest in Keystone's mission by offering sponsorship support for our events and program activities. Sponsors enjoy recognition on our webpage, social media and in event/program materials and your sponsorship can be customized to meet your needs. Please join us this year in helping Keystone provide support for 25,000 neighbors in need.
